2019 Honours program in Psychology

This document should be read concurrently with the guidelines for external applicants, available on the School’s website http://www.psy.unsw.edu.au/future-students/undergraduate/programs/honours.

UNSW students/graduates please note: If you complete/d your degree at the end of Semester 1, 2018, your application will be assessed according to the guidelines for internal applicants (http://www.psy.unsw.edu.au/current-students/undergraduate/honours). If you completed your degree in 2017 or earlier, your application will be assessed according to the guidelines for external applicants.

The application deadline is 15 November 2018.

**IMPORTANT**: Applicants are strongly encouraged to submit their application well before this deadline, as the School of Psychology aims to finalise places in the Honours program in December.

1. Prepare your supporting academic documentation, including:

   - Evidence that you have completed the Supplementary Application Form,
   - Full official transcript of your previous studies in psychology,
   - Proof of completion\(^1\) of your degree/s (*if completed*), and
   - APS assessment letter (*international psychology qualifications* only).

\(*\) Applicants with international psychology qualifications MUST have the qualifications assessed by the APS *before* submitting an application.

**Note**: Applicants who will complete their undergraduate sequence in psychology at the end of 2018 should provide an interim transcript with their application. Final results, and a final official transcript, can be submitted to UNSW Admissions whenever they become available.

---

\(^1\) A testamur (degree certificate) is not required if your academic transcript *clearly indicates* your degree is complete.
2. Complete and submit to UNSW Admissions a formal application via the UNSW Apply Online Service (https://apply.unsw.edu.au/).

   a. Select “Undergraduate” as the application type.

   b. Use Program Code 4518 for the Bachelor of Psychological Science (Honours). Your supporting documentation must be uploaded towards the end of the online submission process (i.e., all documents applicable to your individual circumstances, as indicated in Step 1 above).

   c. Applicants are not required to nominate, or contact, a potential supervisor at this stage. If you are asked to complete a section relating to an Honours project, proposal, or supervisor, please enter text/upload a file that reads “Not required by the School of Psychology”.

      The School will contact shortlisted applicants regarding supervisor availability no earlier than December 2018.

3. If you have any enquiries about the Honours program in Psychology, please contact Emmalee O’Grady (Administrative Officer) via psychology@unsw.edu.au.
